Subject: Explanation and Financial analysis and operating results Q3, September 30, 2014

The financial performance of Thai Poly Acrylic Public Company Limited as of fiscal Q3, September 30th, 2014, has been reviewed by the auditor with the following comments:-

The net profit at Q3, September 30th, 2014 was Baht 4.5 million, decreased by Baht 5.0 million or 53.1 % compared to same period last year. The main reasons were the decrease of revenue in Q3. In September 30th, 2014 revenue was reported at Baht 294.8 million, decreasing by Baht 40.7 million or 12.1 % compared to the same period last year at Baht 335.5 million mainly due to impact on Thai Economy which still could not improve in country consumption, especially automotive sector, as well as world economy was still stagnant. Moreover raw material was in upward trend and impact in increasing cost of sales.

Sincerely Yours,

(Chate Pattanakul)

Managing Director
